

The Power of Options

By

Bill Cook

- What is an Option?
- What's the difference between an Option and a Pure Option?
- Why is an Option such a powerful creative deal structuring tool?
- How do Options allow you to capture a property's appreciation, amortization, and cash flow even though you don't own it?
- What are the different types of Options?
- How do you find Options?
- How do you secure Options?
- How do you exercise Options?
- How do Options and Self-directed Retirement accounts work together?

The Power of Options
